

UPDATE FROM THE ASSOCIATION OF SOUND DESIGNERS

THE HERALD

ASD
ASSOCIATION of SOUND DESIGNERS

ASD News

We are looking for a student representative for the ASD board. Are you a student? Could you see yourself joining in with the discussions that shape our association? [Email us](#) and let us know if you'd like to get involved.

Training Events

We are organising a number of exciting events in the coming months, keep checking the website for [details](#).

Vector Works for beginners

A 2 day training [seminar](#) on March 14th and 15th. Free for ASD members.

From our friends

Backstage tour of the Attenborough Centre, Brighton.

A guided tour, in association with the ABTT and the ALD, of the newly re-designed Attenborough [Centre](#) in Brighton, on March 11th.

d&b electroacoustics seminar.

At [RCSSD](#) on March 22nd.

CODA Audio and DiGiCo demo day

At the O2 Forum in Kentish Town on March 2nd. A chance to listen to the CODA AiRAY, ViRAY and TiRAY Loudspeaker systems with sources from DiGiCo consoles including the S21 and SD7. There are two sessions starting at 11am and 4pm,

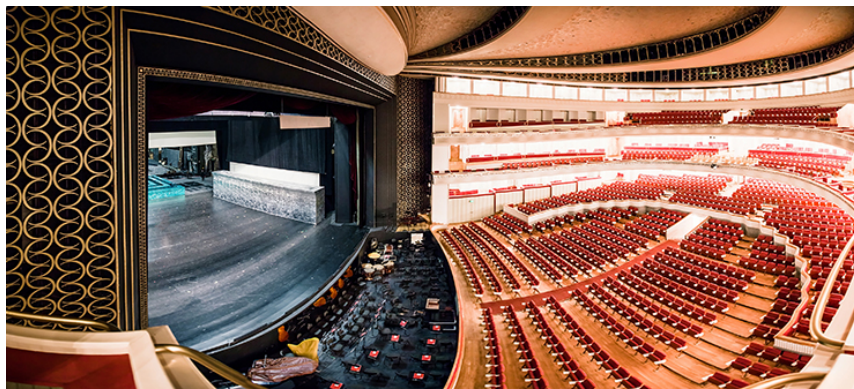

register your place [here](#).

Hardware, software & sounds news

Yamaha AFC3

Spare a thought for the team at the Grand Theatre of the National Opera in Warsaw, their stage is the biggest in Europe and is the cause of many sound related issues. Find out how the new Yamaha system is helping them deal with the issues [here](#)

Encounter Live Stream

The amazing Complicite production Encounter will be live streamed from their YouTube channel on the 1st of March. It will remain online for one week afterwards. Find out more [here](#)

iZotope DDLY Plugin

For a very limited time, this interesting delay plugin is being given away. Read all about it [here](#)

Interesting Reading

DPA Intelligibility Facts

DPA have written an interesting article on intelligibility, read it [here](#).

Happy Birthday!

This article describes how the world might soon be free to sing [Happy Birthday!](#)

Art on the Underground Sound Effects.

As part of the project Underline, Artist Matt Rogers has created a series of percussive sound effects, free for public use, download them [here](#).

Designing Sound - January SFX update

This website is full of interesting reads and worth a bookmark. They've produced their usual [recap](#) of sound effects released recently.

The Atlantic Archive

We have all heard of white and pink noise, but did you know about brownian or black noise? [This article](#) discusses many colours of sound and their applications, it is also full of interesting links.
