

UPDATE FROM THE ASSOCIATION OF SOUND DESIGNERS

# THE HERALD

**ASD**  
ASSOCIATION of SOUND DESIGNERS

## ASD News

It's been a busy month for the ASD!

Work is continuing behind the scenes on many different projects, we're updating our membership terms and conditions, changing the way the membership levels work, organising seminars and planning our Summer Social.

Keep Sunday the **9th of September** free, more details will follow very soon.

### OISTAT 50 ASD Partnership

We're very proud to announce our line up for the ASD Cardiff excursion as part of OISTAT 50.

Joining us on the day will be [Gareth Fry](#), [Paul Arditti](#), [John Taylor](#), [Ian Stickland](#) and [Dominic Bilkey](#).

Check out the [events page](#) to read all about their seminars.

With amazing accommodation rates and an ASD social planned, it's going to be a tremendous few days, if you've never been to an OISTAT event before, or visited Cardiff, this might just be the perfect opportunity to investigate.

Find out more about the accommodation and how to get there via the main [events page](#) of the website.

## From Our Friends

Work life balance survey

Parents in Performing Arts (PiPA) and Birkbeck, University of London are collaborating to produce a large survey across the Performing Arts workforce. The aim of the survey is to help improve understanding of people's experience. In order to get the most accurate representation of the sector it is vital that as many non-parents, carers and parents take part as possible.

## Hardware, software and sounds

### SSL L100 Live console

### **New L100 Console, Remote Tile and V4.7 Feature Set!**

It's been a busy month for SSL too, they launched their new L100 console at InfoComm in Vegas earlier this month, plus a remote tile extension and software updates. Find out more on the SSL [website](#) and see what Pro Sound News thought [here](#).

### Sennheiser Ambeo Smart Headset

These in-ear buds from Apogee and Sennheiser offer a range of uses, from binaural recording with the onboard microphone to noise cancellation and all for £259. Read more [here](#).

### Avid Venue I S6L

d&b audiotechnik, L-Acoustics and Flux:: have integrated with Avid VENUE I S6L to create a streamlined workflow for mixing live immersive audio. Each company has developed an AAX DSP plug-in that runs natively on the S6L to provide control and software integration of their respective systems from the S6L surface and VENUE software, giving engineers intuitive, hands-on control over all surround parameters to deliver the most immersive and engaging audio experience possible. Read more via the [AVID website](#).

## Interesting reading

Listen to [Sarah Angliss](#), Sound Designer and ASD member, via the iPlayer app as she investigates the phenomenon of the echo.

Read about the processes of fellow ASD members [Kirsty Gilmore](#) and [Liv Nagy](#) in two separate interviews in Pro Sound News Europe.
